There are light refreshments (including cake!) following today's service.

Offerings may be placed in the plates by the sanctuary doors. They can also be mailed to the office, or donated online at the church webpage.

June Mission: Strengthen the Church

Bulletin Covers are in loving memory of Joseph Moyer.

Kids' activity sheets for June are available in the foyer

NEWS & NOTES

Enjoy a paddle on the river later today! Bring a canoe/kayak to Susquehanna Outfitters (in Wormleysburg; parking is \$5/p) at 3pm.

Dop in for the **Elders forum** this Thursday (June 23) at 6.30pm to learn more about St. Thomas, share ideas, and ask questions. Connect via zoom (check www.stthomasucc.net/echurch for the link).

The **Hospitality Team** is planning a potluck brunch for Sunday, July 17, following the church service. Please bring a dish to share such as fruit, hot or cold entree, salad, or dessert. Also, Pastor Dan will share his experiences on his recent trip to Turkey. There is a sign-up sheet in the west foyer to indicate the item you are bringing or call the church office and let Carol know.

The **midweek study** meets Wednesdays at 7pm this summer—always online and sometimes in homes. There's a different topic/text each week, so you can drop in as you're available. To connect via zoom, check the website for a link.

This summer's **Boat Church** is July 10. No sanctuary or online service that day; instead, plan a cruise aboard *The Pride of the Susquehanna*. The boat leaves the City Island Dock at 10am and returns about 11am. There's no cost, but you can participate in a freewill offering that benefits CCU (which sponsors the event). Invite a friend!

Interested in **reading Scripture** and/or **giving a children's message** during a Sunday service? Contact Pastor Dan for more info and to get on the schedule.
